There is no conditional coverage for riders or any additional benefits, if any, for which you have applied.

IF CONDITIONS ARE NOT MET OR DEATH OCCURS FROM SUICIDE, THERE IS NO COVERAGE UNDER THIS RECEIPT. If one or more of this Receipt's conditions have not been met exactly, or if a Proposed Insured dies by suicide or intentional self-inflicted injury, while sane or insane, the Company will not be liable under this Receipt except to return any payment made with the application. If the Proposed Insured should die before completing all medical examinations, tests, screenings, and questionnaires required by the Company or would not be insurable under the Company's rules, then the Company will not be liable under this Receipt except to return any payment made with the application.

Except as provided in this Conditional Receipt, no coverage under the contract you are applying for will become effective unless and until after a contract is delivered to you and all other conditions of coverage set forth in Part 1 of the application have been met.

Notice and Consent for HIV-Related Testing California

Acquired Immunodeficiency Syndrome (AIDS) is a life-threatening disorder of the immune system. It is caused by a virus called Human Immunodeficiency Virus (HIV). The virus is spread by sexual contact with an infected person, by exposure to infected blood (as in needle sharing during intravenous drug use or, rarely, as a result of a blood transfusion), or from an infected mother to her newborn infant. It may take a few weeks to many years for symptoms to appear but they usually include fever, diarrhea, tiredness and enlarged lymph glands.

To evaluate your insurability, the insurer named above (the "Insurer") has requested that you provide a sample of your bodily fluid(s) for testing and analysis to determine the presence of HIV antibodies. Antibodies to HIV are produced by the body of a person who has been infected with HIV. Antibodies are the body's way of fighting the infection. By signing and dating this Consent, you agree that this test may be done.

The HIV Antibody Test

A series of tests will be performed by a licensed laboratory through a medically accepted procedure. The most commonly used tests are the ELISA or "EIA" and the Western blot. If the ELISA shows the sample is positive for HIV, then the Western blot is done to confirm that initial result.

The HIV antibody test is extremely accurate. However, in rare instances the test may be positive in persons who are not infected with the virus. Additionally the test may be negative in persons who are infected with HIV.

Meaning of Test Results

Positive HIV antibody/antigen test results do not mean that you have AIDS, but that you are at significantly increased risk of developing AIDS or AIDS-related conditions. Federal authorities say that persons who are HIV antibody/antigen positive should be considered infected with the AIDS virus and capable of infecting others. A positive HIV antibody test result will probably mean you will be declined for the insurance for which you are applying.

A negative test result means no antibodies to the HIV virus were found. Because of varying incubation periods, absence of HIV antibodies does not mean that you have not been infected with the virus. Absence of HIV antibodies does not mean that you cannot get the virus in the future.

Counseling

Many public health organizations have recommended that before taking an HIV-related test, a person seek counseling to become informed concerning the implications of such a test. You may wish to consider counseling, at your expense, prior to being tested. Public health authorities urge that everyone become educated about how to protect themselves from HIV infection. If you have questions or concerns, you may wish to consult your physician or health care provider. A list of counseling resources is provided for your information. Other counseling services may also be available to you.

Notice and Consent for HIV-Related Testing California

Confidentiality of Test Results

All test results are required to be treated confidentially. They will be reported by the laboratory to the Insurer. The test results may be disclosed as required by law or may be disclosed to employees of the Insurer who have the responsibility to make underwriting or claims decisions on behalf of the Insurer, or to outside legal counsel who needs such information to effectively represent the Insurer. Negative test results may be disclosed to a reinsurer, if the reinsurer is involved in the underwriting process. The test results may be released to an insurance medical information exchange under procedures that are designed to assure confidentiality, including the use of general codes that also cover results of tests for other diseases or conditions not related to AIDS, or for the preparation of statistical reports that do not specifically disclose that you were subject to testing related to the human immunodeficiency virus. The release for disclosures discussed in this paragraph will be effective for 2 1/2 years from the date you sign this Consent.

Notification of Test Results

If your test results are negative, no routine notification will be sent to you. If your test results are other than negative, you are entitled to that information. Because a trained person should deliver that information so that you can understand clearly what the test result means, you are asked to list your physician or health care provider so that the Insurer can have him or her tell you the test result and explain its meaning. If you do not have a private physician, the test results can be sent directly to you, marked ''Personal & Confidential'', at your residence address.

Terminal Illness Accelerated Death Benefit Disclosure

You may request an accelerated death benefit when the Insured has been diagnosed with a Terminal Illness. A Terminal Illness is a medical condition, resulting from injury or disease which, as diagnosed by a Physician, has reduced life expectancy to not more than 12 months from the date of the Physician's diagnosis. We must receive written proof of the Insured's Terminal Illness before we make an accelerated death benefit payment. We reserve the right to seek a second medical opinion or have the Insured examined at our expense by a Physician we choose.

We will pay an accelerated death benefit upon due proof that the Insured has a Terminal Illness, subject to the following conditions:

1. The Terminal Illness is first diagnosed on or after the Endorsement Date; and
2. The policy and endorsement are in force at the time of the accelerated death benefit request; and
3. The Face Amount of the policy at the time the accelerated death benefit request is received is at least $25,000; and
4. At the time you request to exercise the accelerated death benefit, there must be at least two (2) years remaining before the Expiry Date of the policy;
5. We receive written proof of the Insured's Terminal Illness satisfactory to us, including a Physician's certification; and
6. We receive a consent form signed by all irrevocable beneficiaries and all assignees in a form acceptable to us.

An administrative fee will be deducted from the present value of each accelerated death benefit amount requested. As of the Endorsement Date, the administrative charge is $350. The administrative charge will be subject to future increases based on cumulative annual cost-of-living increases as measured by the Consumer Price Index (CPI) since 2012. Cumulative annual cost of living increases will not exceed 5% per calendar year. In the event that the CPI is no longer published, a substantially similar index will be used.

The maximum death benefit you may accelerate is equal to the lesser of:

1. 100% of the Face Amount of the policy; or
2. $1,500,000, including all other accelerated death benefit amounts previously elected or currently under review under all policies, endorsements or riders issued by us on the life of the Insured.

The policy's Face Amount will be reduced by the amount of the death benefit accelerated. If less than the full Face Amount is accelerated, the premium payable after the accelerated death benefit is paid will also be reduced. The reduced premium will equal the appropriate premium rate applied to the reduced Face Amount plus any applicable policy fee. We will provide you with information showing the reduced Face Amount resulting from the accelerated death benefit payment.

RECEIPT OF ACCELERATED BENEFITS MAY BE TAXABLE AND YOU SHOULD CONSULT YOUR PERSONAL TAX ADVISOR.

By signing below, you agree that you have read the above and received a copy of this disclosure form.

Chronic Illness and Critical Illness Accelerated Death Benefit Disclosure

This disclosure form provides a brief description of the accelerated death benefit options available under your policy. For details regarding your rights and obligations under the policy, please read your policy carefully. Accelerated benefits are payments made to you during the lifetime of the Insured in lieu of payment of the full death benefit of the policy.

Chronically Ill means the Insured:

(a) Is unable to perform without Substantial Assistance from another person for a period of at least 90 days, at least two out of six Activities of Daily Living (Bathing, Continence, Dressing, Eating, Toileting and Transferring); or

(b) Requires Substantial Supervision by another person, for a period of at least 90 consecutive days, to protect the Insured from threats to health and safety due to Severe Cognitive Impairment.

Critically Ill means the Insured has been diagnosed with a medical condition that would, in the absence of treatment, result in the Insured's death within 12 months.

Conditions Under which Accelerated Benefits May be Elected: If the Insured becomes Critically Ill or Chronically Ill while this policy is In Force, you may elect to receive an Accelerated Death Benefit payment subject to the provisions of the policy and the following conditions:

1. You must provide us with the required certification applicable to the requested form of Accelerated Death Benefit.
2. This policy must be In Force at the time of your Accelerated Death Benefit request; and
3. The Face Amount of this policy at the time the Accelerated Death Benefit request is received must be at least $25,000; and
4. The waiting period must have expired; and
5. We must receive the consent of all irrevocable beneficiaries (if any) and all assignees (if any) in a form acceptable to us.

Amount of Benefit: The Accelerated Death Benefit payment we make to you will be less than the amount of the death benefit which you request to accelerate. The Accelerated Death Benefit payment for the amount of the death benefit which you request to accelerate will be calculated as A - B - C - D where A, B, C, and D are determined as follows:

A. The present value of the amount of the death benefit which you request to accelerate, which will be calculated using specific factors and an annual discount interest rate as described in your rider(s) form.

B. Any due or unpaid premium if we make payment during the grace period.

C. The actuarial present value of future premiums, excluding rider premiums that would otherwise be payable to keep this policy In Force during the period of the Insured's remaining lifetime at time of the acceleration, using the applicable rated age, mortality table, and interest rate.

D. An administrative charge for each Accelerated Death Benefit request. The administrative charge for each Accelerated Death Benefit request as of January 1, 2014 is $350, but will be subject to future increases based on cumulative annual cost-of-living increases as measured by the Consumer Price Index for All Urban Consumers (CPI) since January 1, 2014. Cumulative annual cost of living increases will not exceed 5% per calendar year. In the event that the CPI is no longer published, a substantially similar index will be used.

If we approve your request for a Chronic Illness Accelerated Death Benefit or Critical Illness Accelerated Death Benefit, the amount that may be payable will be based in part on the Insured's remaining life expectancy at the time of the acceleration. The longer the Insured's remaining life expectancy, the lower the payment amount will be. The shorter the Insured's remaining life expectancy, the higher the payment amount will be.

Maximum Benefit: The maximum death benefit you may accelerate over the lifetime of the Insured is equal to the lesser of:

1. 90% of the Face Amount of this policy; or
2. $1,500,000 including all other Accelerated Death Benefits previously elected or currently under review under all policies, endorsements or riders issued by us or our affiliates on the life of the Insured.

The maximum death benefit you may accelerate in any 12 month period because the Insured is Chronically Ill is 24% of the Face Amount of the policy at the time of the initial acceleration.

Effect of Benefit on Policy: The policy's Face Amount will be reduced by the amount of the death benefit accelerated. If less than the full Face Amount is accelerated, the premium payable after the Accelerated Death Benefit is paid will be adjusted. The adjusted premium will equal the appropriate premium rate applied to the reduced Face Amount plus any applicable policy fee. We will provide you with information showing the reduced Face Amount resulting from the Accelerated Death Benefit payment.

As an example of the impact that election of an Accelerated Death Benefit has on policy values, consider the following situation:

Prior to Election			**Upon Partial Election of 50% of Face Amount**			**Upon Full Election**		
Face Amount	=	$200,000	Remaining Face Amount	=	$100,000	Face Amount	=	$20,000
Annual Premium	=	4,000	Remaining Annual Premium	=	2,000	Annual Premium	=	400

Payment of Accelerated Benefits will reduce the death benefit otherwise payable under the policy. Receipt of Accelerated Benefits may be a taxable event. Please consult your personal tax advisor to determine the tax status of any benefits paid under this rider.

By signing below, you agree that you have read the above and received a copy of this disclosure form.

Notice To Applicant Regarding Replacement Of Long-Term Care Insurance Or Life Insurance Including Accelerated Death Benefits

According to information you have furnished, you intend to lapse or otherwise terminate existing life insurance or long-term care insurance and replace it with a life insurance policy with an accelerated death benefit to be issued by Transamerica Life Insurance Company. Your new accelerated death benefit coverage provides 30 days within which you may decide, without cost, whether you desire to keep the coverage. Please note that your underlying life insurance policy may only provide for a 10-day period during which you may decide, without cost, whether you will keep the coverage. For your own information and protection, you should be aware of, and seriously consider, certain factors that may affect the insurance protection available to you under the new coverage.

This accelerated death benefit is NOT Nursing Home, Home Care, or Long-Term Care Insurance, and it is not intended or designed to eliminate your need for that coverage. There are no restrictions or limitations on the use of the accelerated death benefit proceeds.

If you want long-term care insurance, you should consult with an insurance agent licensed to sell that insurance, inquire with the insurance company offering the accelerated death benefits, or visit the California Department of Insurance Internet Web site (www.insurance.ca.gov) that provides information regarding long-term care insurance.

If you want to replace existing coverage with life insurance that includes an accelerated death benefit, you should note the following:

(1) Receipt of accelerated death benefits may be taxable. Prior to electing to buy the accelerated death benefit, policyholders or certificate holders should seek assistance from a qualified tax adviser.

(2) Receipt of accelerated death benefits may affect eligibility for public assistance programs, such as Medi-Cal or Medicaid. Prior to electing to buy the accelerated death benefit, the applicant/buyer should consult with the appropriate social services agency concerning how receipt of accelerated death benefits may affect that eligibility.

You may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of your present coverage. This is not only your right, but it is also in your best interest to make sure you understand all the relevant factors involved in replacing your present coverage.

If, after due consideration, you still wish to terminate your present coverage and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your coverage had never been in force. After the application has been completed and before you sign it, reread it carefully to be certain that all the information has been properly recorded.

AUTHORIZATION FOR PARTICIPATION IN THE PAC PROGRAM

I request and authorize Transamerica Life Insurance Company (the Company) to make withdrawals, by draft or electronic transfer, from my account with the Financial Institution named above for premiums in the amounts specified above, or as specified by the policy (including any amendments, endorsements or riders), or as agreed to by me, and for such other payments as I may authorize the Company to make. I request that the withdrawal be on or before the days when payment(s) fall due, except that if a withdrawal is to pay for premiums on more than one policy, it is to be drawn on the earliest due date. I request that this authorization, unless previously revoked, continue to apply to any conversion, renewal, or change later made in the policies. I understand that this authorization in no way affects the terms of the policy, other than the mode of payment, and I understand that if the premiums are not paid within the grace period allowed by a policy, as in the event any such withdrawal being dishonored, or for any reason, then the policy shall terminate subject to any nonforfeiture provisions in the policy.

AUTHORIZATION TO HONOR PAC WITHDRAWALS

As a convenience to me, I hereby request the financial institution named above to accept and honor the draft or transfer withdrawals from my account. I agree that your rights in respect to each draft or transfer shall be the same as if it were a check drawn on you and signed personally by me and that you shall be fully protected in honoring such draft or transfer. I further agree that if any such withdrawal is dishonored, whether with or without cause and whether intentionally or inadvertently, the Financial Institution shall be under no liability whatsoever if such dishonor results in the forfeiture of insurance.

These authorizations shall remain in effect until revoked in writing, mailed to the other parties at the address of record. The Company and/or Financial Institution shall have a reasonable time to act on the revocation notice. I have retained a copy of these authorizations.
